Submitted to His Highness.

The term of appointment of Registrar of Co-operative Societies in Mysore expires, under present arrangements, on the 31st August 1912 - vide Government Order No.Fl.4406-15/B 14-08 dated 1st April 1909.

2. The question of the continuance of the office was referred to the Council with my note that an order may issue continuing the office "until further orders".

3. The First Councillor states that it is not fair either to the work or the incumbent to keep the tenure temporary when there is no practical likelihood of its being done away with in any definite time and that the appointment may be made permanent. The Second Councillor agrees and says that the status and pay may be that of a Deputy Commissioner. I concur. This may be graciously sanctioned by His Highness.

2. The proposal which was made in the submission note to His Highness and which has been sanctioned is that the Registrar's appointment should be made permanent and that his status and pay ~~is to~~ should be that of a Deputy Commissioner. It is not clear how effect is to be given to the latter portion of the order. There are three classes of Deputy Commissioners whose pays range from Rs.700 to Rs.1200. In what class is the Registrar of ~~Co-~~ Co-operative Credit Societies to be placed? If he is to be placed in the 3rd class, what pay is he to be given? Is he to get Rs.800 or Rs.700 rising to Rs.800 after one year as in the case of last grade Dy. Commrs? How are his claims for promotion to the higher grades to be recognized and adjusted? These are points on which definite orders are necessary to avoid future complications.

Three courses appear to be open -

i. To make the appointment of Registrar quite separate from that of Deputy Commissioners and either fix the Registrar's pay definitely corresponding to that of one of the grades of Dy.Commrs: or make it progressive in such manner as the Govt: consider fit, so as to bring ~~in~~ it in line with that of Deputy Commissioners.

ii. To appoint ~~for~~ the Registrar ~~as office one of the~~ as a Deputy Commissioner, and treat him as seconded during his employment as Registrar - he being entitled to his grade promotions - both acting and permanent - among the Deputy Commrs: while he is so seconded, ~~This is what~~ (as has been recently ordered in the case of the Secretary.) This arrangement will, I think, be the best, though it has this ~~advantage~~ disadvantage namely, that in the long vacancy caused by the appointment of a Deputy Commr: as Registrar, permanent arrangements cannot be made for the Deputy Commissioner's place and only sub pro tem ~~xxx~~ arrangement will be permissible under the Rules. And

iii. To ~~raise~~ increase the number of Deputy Commissioners by one and provide an additional Deputy Commissioner in the 3rd class, thus raising the number in that class from 3 to 4 so as to make room for a Registrar.

If permitted, Re Financial Secretary will be consulted in the matter and the papers circulated to the Councillors for their remarks.
